Petroleum Services

The South African petroleum sector is tightly regulated. Trishul Holdings simplifies the licensing process and offers end-to-end support for businesses entering or operating in this industry.

Whether you're applying for a new license or conducting feasibility assessments, our experienced team ensures you're fully compliant and market-ready.

Our petroleum services include:

- Wholesale Licensing Applications
- Site & Retail Licensing
- Environmental Authorisations
- Feasibility Studies
- Traffic Impact Assessments

Liquor Licensing Services

South Africa's liquor trade demands strict adherence to licensing and distribution laws. Trishul Holdings supports entrepreneurs, retailers, distributors, and manufacturers in obtaining the correct licenses for every stage of their operations.

We help you remain compliant — whether you're opening a restaurant or launching your own brand of liquor.

We specialise in:

Retail (On-Consumption)

For venues serving alcohol on-site such as restaurants, bars, hotels

Retail (Off-Consumption)

For stores selling liquor to be consumed off-premises (liquor stores, grocery shops, online)

Wholesale Licensing

For companies or individuals wanting to distribute and sell alcohol in bulk

Manufacturing & Private Brands

Licensing for liquor production and brand ownership

Import & Export Permit Services

We help businesses trade across borders with confidence. Our team manages permit applications and compliance processes for regulated goods and customs.

Import Permit Applications

Apply for regulated imports including food, chemicals, fuel, and beverages.

Export Permit Applications

Get your goods approved for international shipping and trade.

Regulated Goods Licensing

Navigate permit needs for sensitive items like alcohol, petroleum, or agri-commodities.

SARS Customs Registration

Register your business for customs clearance and international trade.

Bonded Warehouse Access

Facilitate access and documentation for bonded storage facilities.

Permit Renewals & Amendments

Manage ongoing compliance with permit updates or renewals

Medical Supply Licensing

Trishul Holdings offers end-to-end licensing services for pharmaceutical companies operating in South Africa. We assist with obtaining legal authorisation to manufacture, import, export, or distribute medicines in full compliance with national regulations.

Our petroleum services include:

- Licence Issuance
- Regulation Alignment
- Broad Scope
- Market Entry Support
- Risk Reduction
